

# 2003 World Cruise

CRYSTAL SYMPHONY  
WONDERS OF THE SOUTHERN SEAS

January 24, 2003

Greetings Antarctica and Australia Adventurers,

I ran into many of you enjoying a quiet day on board even though we were in port!  
That's the way to really enjoy a World Cruise!

Invitations are going out today for Captain Edvardsen's infamous Norwegian Waffle Feast. It will be held on Saturday, January 25, in the Palm Court from 10:45am to 11:45am. A few of Captain Glenn's Norwegian officers will be there to assist, so bring your appetites and enjoy the preparation of the meal as much as the taste!

The waffle party is being given for all of you 2003 Full World Cruise guests as well as those guests on board who have in the past taken a complete Crystal World Cruise. You are all members of this club, the *Crystal World Cruise Club*, and we give a party in your honor each segment of this 2003 World Cruise.

I hesitate bringing up the subject of the World Cruise polo shirts again. However, our shoreside office wishes to have an exact count of the sizes to be reordered. It will be most helpful to me if any of you wish to exchange the shirt(s) you have for another size, please advise me of this tomorrow. You may leave a note for me at the Front Desk or call there to give the Receptionists a verbal message. I am again very sorry that there weren't enough of the correct sizes to go around. Hopefully the issue will be corrected soon.

Crystal Society Hostess Lara has asked that I inform you that you will be invited to attend a Captain's Quarters cocktail party at least twice throughout this 104-day cruise. She does not want anyone to feel left out if they are not invited this segment nor do we wish you to expect an invitation every segment.
