

ASPEN, CO. ~ DINNER

OUR STORY & WE'RE STICKIN' TO IT!

Since 1988, we have worked at crafting our baby back ribs, barbeque sauces and other recipes. In that time, we've won dozens of national and international rib cook-off competition awards. Several years ago we introduced our fare to the Hickory House in Aspen where we have achieved success beyond our dreams. Our competitors and friends from Michelbob's Championship Ribs Restaurant of Naples Florida, have shared some of their secrets with us as we continue to sharpen our barbeque skills. In combination, the offerings on this menu have proven to be the "best in Colorado". We hope you agree. Thank you for your support.

Certified Angus Beef is the "REAL DEAL." Many restaurants use the "Angus" name but they are not Certified. Certified beef only applies to the top eight percent of all beef produced in the USA. All of the beef served at Hickory House is Certified and we are confident our customers will appreciate the difference.

HICKORY HOUSE - ASPEN DINNER

ABOUT OUR SMOKED MEATS

Our unique slow-smoking and cooking process tends to leave our Meats - Ribs, Chicken, Pork and Beef pinkish or reddish in color even though they are completely and thoroughly cooked. When you see this coloring it is the flavor of our Meats and why they taste so good.

ABOUT OUR RIBS

Our ribs, imported from Denmark, are the highest grade available and are selected by weight, age and meat content. Ribs, like humans, vary in size and shape. We try very hard to make each portion correct in weight even though they may visually vary in size and shape. Mother Nature created these differences and we work with them the best we can.

A FEW RULES!!

1. We gladly issue separate guest checks.
2. We gladly substitute some things but not all.
3. Substitute Baked Potatoes, Fries & Corn? Yes!
4. We don't substitute Onion Rings, Small Salad or any of our Meats.
5. We don't charge extra for sharing.
6. Something not right? Please tell your server immediately.

GRATUITIES

- For satisfactory service, a 18% tip is customary and appropriate.
