to YOU

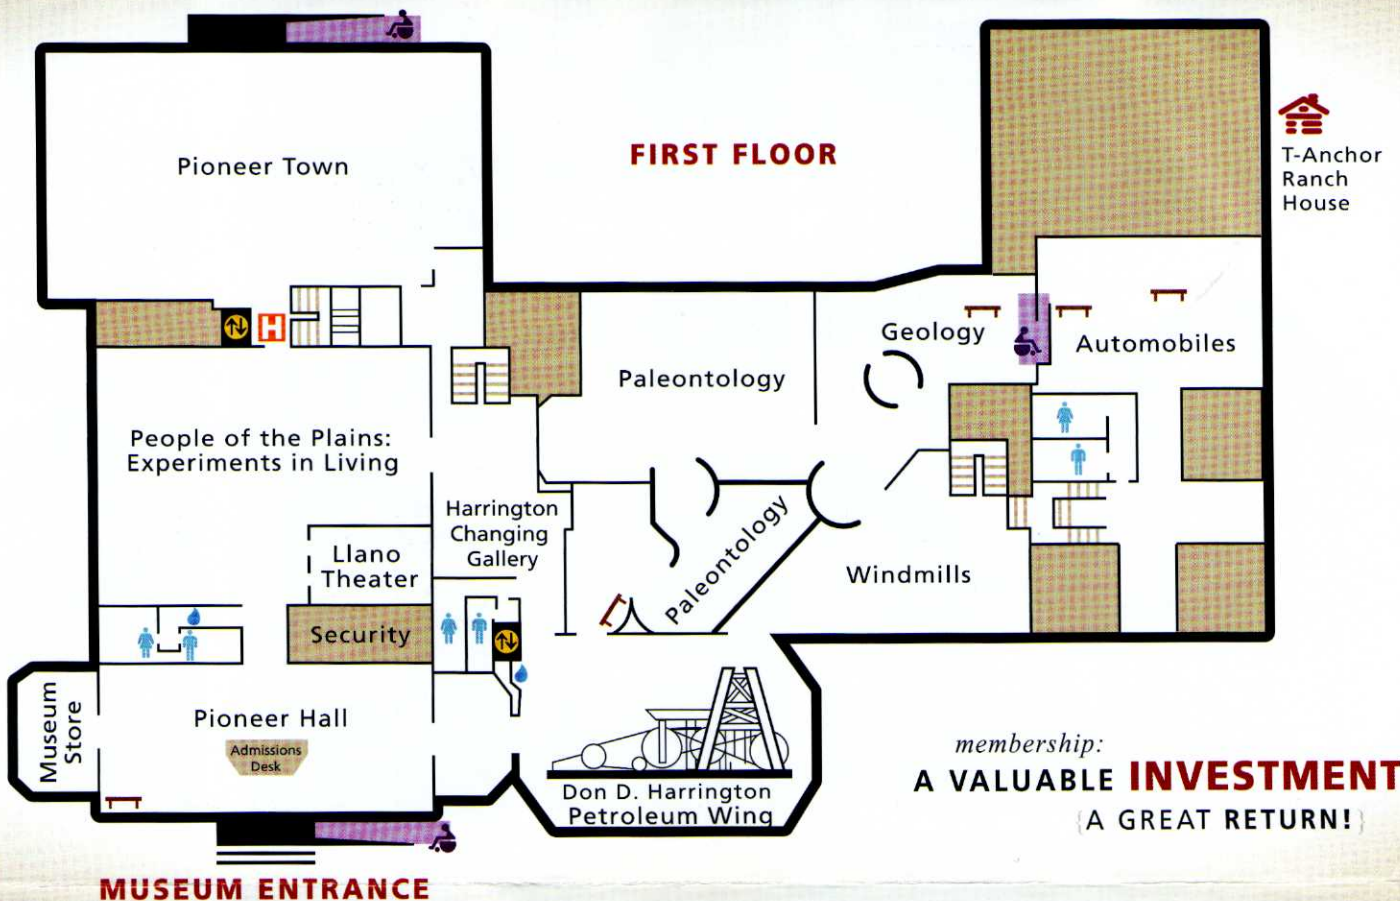

All of us here at **PPHM** are committed to making your visit an engaging museum experience with relevant exhibits that connect you to the history that surrounds you. As you explore, you'll find staff members and guards who are willing to help should you have a question or need directions. Most of all we want you to leave wondering why you didn't come sooner, why you can't stay longer and when you can come back. So get ready for a good time. Welcome to **PPHM**!
